Renault Kiger Achieves 4-Star Global NCAP Adult Occupant safety rating, strengthening South Africa's Compact SUV offering.

JOHANNESBURG, South Africa – 13 November 2026 – Renault South Africa is proud to announce that the Renault Kiger has achieved a 4-star Adult Occupant protection and 3-star Child Occupant rating in the latest 2026 Global NCAP #SaferCarsForAfrica crash test assessment. Following the local introduction of the refreshed Naturally Aspirated Kiger in November 2025 and the enhanced Kiger Turbo in March 2026, this safety milestone highlights Renault's commitment to delivering affordable innovation without compromising on occupant protection.

Tested for the South African market, the Renault Kiger scored 25.20 out of a maximum 34.00 points for Adult Occupant Protection (4 stars). The Kiger range comes standard with six airbags (dual frontal airbags, side chest airbags and side head curtain airbags), ISOFIX and all-round seatbelt reminders across all seats.

"Safety, performance and everyday value sit at the core of the Renault Kiger's appeal in South Africa," said Shumani Tshifularo, CEO of Renault South Africa. "Achieving a 4-star Global NCAP safety rating reinforces the Kiger's position as one of the most compelling and competitively priced compact SUVs in its segment. This elevated rating enhances Kiger's value proposition so South African drivers can enjoy dynamic turbo performance, modern technology and safety"

Comprehensive protection and standard safety tech The Kiger range is equipped standard with 15 active and passive safety features including ABS (Anti-lock Braking System), ESP (Electronic Stability Program), EBD (Electronic Break Distribution) with brake assist, TCS (Traction Control System), Take-a-break reminder, Tyre Pressure Monitoring System (TPMS), Reverse Parking Sensors, Speed Sensing Door Lock. While passive features include Pedestrian Protection, Seat Belt With Pretensioner (driver only), Front Seat Belts with Load Limiter and Impact Sensing Door Unlock.

Turbocharged performance meets everyday practicality The Renault Kiger range is available in two powertrain options, the 1.0L Naturally Aspirated (52kW/ 96Nm) available in Manual & AMT (Automated Manual Transmission) and the 1.0L Turbocharged (74kW/ 160Nm) which is available in Manual & CVT (Continuously Variable Transmission).

Inside, drivers enjoy a modern 8-inch floating touchscreen with wireless Apple CarPlay and Android Auto, a 7-inch digital TFT instrument cluster, hands-free Smart Access Card and on the flagship Iconic trim, front ventilated (cooling) seats and a multi-view camera and remote start to cool your car in advance which comes in handy during hot summer temperatures. Kiger drivers also benefit from a 205 mm ground clearance, practical in-cabin storage and a massive 405 litres of boot space.
